Unfortunately, there isn't.

3. How do I make payments? You may drop checks made out to HHSBPA to Mr. Dailey at Horizon, or through the Horizon Band Website.

4. What if we decide to cancel?

There is a cancellation fee schedule and it will be determined once initial numbers are in place.

5. Is it worth it?

Absolutely, YES! A student's band trip is often a highlight of their high school memories.

6. Are fundraising opportunities available?

Yes, the HHSBPA typically has a few extra fundraisers during trip years to help students raise money for their trip/Student Band Account. PLEASE consider getting a King Sooper's card account for you and family members. This can help immensely.

Yes, Approximately 2 days before Spring Break.

No. The band travels every 2- 3 years.

Through weekly emails throughout the year giving payment reminders, forms that need to be completed, and any other updates. You can also check information about the trip on the band's website: Horizonhawksbands.org

10. May I bring my student to Boston/New York and meet you there?

No, district policy dictates that we all travel together. Special circumstances must be cleared with Mr. Dailey, the travel company, and school administration.

Yes, all of the students will have trip insurance built into their overall payment so if the trip for whatever reason gets canceled, all families will receive a refund.
