Mattress Fundraiser – December 8th; Discuss dates that don't conflict with other marching events.

Parade of Lights – HHS received the invitation for this event. Will need to ask for donations for batteries for the uniform sashes and hand warmers for students. Band will play a new song named "An American Christmas."
There a potential for inviting members of the symphonic band to participate

in this event if they meet a possible 5 out of 6 rehearsals. Discussion still up for that piece.

Marching band banquet – Contact school administration to schedule a date to block off for this at the student center. November 13th.

Jenny and Mike volunteer with the band frequently. To show appreciation for this type of support, the BPA will come up with a gift to provide for them.

Need a staff member to supervise student loading of the trailer.

U-Haul for Parade of Lights – Need to rent a 17-foot trailer.

Raffle Update

Kristen Murray-Todd and Sheila and Victor Wirick have taken or will be taking the test.

Need to connect them with Troy so he can fill them in on what has been done in the past. (thank you in advance, Troy)

This will ensure the raffle committee will continue past the BPA's President completion of her term in 2019.
