We will have 3 drum majors next year.

We have the trailer, and it's in the bus barn. We should focus on the interior of the trailer and instruments. In a few years we should focus on the exterior.

We are buying two new instruments, a mellophone and marching baritone. We want to switch from tubas to sousaphones. Hopefully we will get a donation of \$25k and we would purchase sousaphones, and a Bari sax. We would need between \$2k and 8k for more instruments.

We need a visual tech and a guard tech position, Juan motions to approve and Troy seconds. Motion passes.

For senior gifts this year we want to get a book, in lieu of past gifts. It will be signed by the author. Troy motioned to spend up to \$400 for gift. Sheryl second, motion passed.
